The reason for this request for extension is that Applicant is still prosecuting a companion application raising similar issues. The Examiner's final ruling on the companion application will have impact on whether or not Applicant proceeds with this appeal separately, or whether to consolidate the appeals.

As this is an *ex parte* appeal, no other party will be prejudiced by the requested extension of time.

Wherefore, Applicant respectfully requests that the Board grant the requested extension, and reset the date for filing Applicant's Appeal Brief.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read 'MA Mastrovito', is written over a horizontal line.
